

VI. THE INNER WORKINGS OF THE BABYLONIAN MATRIX

A. How does the devil _____ and manipulate people through the Babylonian Matrix – What is the practical outworking of the devil's activities?

1. In that the Devil is a liar, we know that his primary _____ against humanity is that of deception

a. **Revelation 12.9**

2. Deception goes to and attacks the very source and operational _____ of all our actions as human beings: TRUTH

a. Every person lives, makes daily decisions for life, based on what that person understands, believes, and _____ to be true

(1) No one intentionally decides a course of action based on a _____ reality

(2) We are _____ beings and live according to the use of that rationale

(a) **Rational:** “Based on or in accordance with logic or reason”

(3) There is _____ a rationale behind all that we do

b. Deception is not the same as _____

(1) Deception is the _____ that something is accurate, true, and founded upon objective fact, when it is not

(e) Deception is a twisting or covering of _____

c. Truth _____ deception is that rationale which fills our mind from and out of which we make our decisions that direct our life

d. Therefore, the entire battle for life is won or lost in... THE _____ !

(1) Whoever controls the rationale in each person controls the _____

3. But...the question is: “ _____ does he work his deception on Humanity?

a. It is important to remember that the devil is _____ omnipresent, nor is he omnipotent or omniscient

(1) Does the devil cast spells on us?

(2) Does the devil shout louder than God and the angels?

b. We have answered this question of “how” briefly and generally with “through the Babylonian Matrix”...and that is correct, BUT, how does the Babylonian Matrix actually work?

(1) How do the frequencies of the Matrix flow in and through those caught in its pulsations?

(2) How is this or that person, event, or group connected to the Devil as he manipulates humanity, via the various components of our society?

(3) What does the Matrix actually look like, and how does it operate in its specific and practical reality

c. If we know how the Matrix works... we can _____ it, we can destroy it, we can prevent it from manipulating it:

4. Here is how it works...

a. Humanity, because of the _____ of their existence of making life choices based on apparent truth, is hardwired to live according to rational sets of values and truths... in other words, principles

(1) **Principle:** "A fundamental truth or proposition that serves as the foundation for a system of belief or behavior or for a chain of reasoning"

(2) Our rationale, or system of belief or behavior, is rooted or founded upon _____ deception or truth

b. Therefore, if Satan wants to control the actions and behavior of humanity, he must place into each human principles that flow from his twisted mind... a _____ and then get everyone to believe that his lie is in fact the truth of life!

(1) **Romans 1.25**

c. We all are a _____ of our thinking system produced by our brain that has been constantly inputted with data (either truth or deception) from the moment we were born even until now

(1) There is nothing in our mind, and therefore our life system, that was not put there from _____ of ourselves

(2) Without Christ you are _____ in control of your own life... though you loudly swear and declare that you are... you are in the Matrix!

d. Our senses become the primary avenue by which our mind is created

(1) Sight via _____

(2) Sound via _____

(3) Smell via _____

(4) Feel via the _____/membrane

(5) Taste via the _____

e. Our senses are _____ in our body and therefore we are to give God our entire body in order to break free from the Matrix

(1) Romans 12.1-2

(a) Our bodies are a giant data input sensory _____!

(b) When we give God _____ that we are we are asking Him to transform us from our previous conformation to the 'world' into what He, the author of Truth, has truly _____ us to be by the renewing of our minds

(c) Notice that this is our reasonable, or rational, or *logikos* service of _____

f. Principles for life are downloaded into the hard-drive of our mind through millions of sensory _____ throughout our daily life beginning with conception

(1) Every word, every action, every consequential thought, every touch, every smell, and every combination of the above, work to _____ 'reality' or 'truth' in our brain and then our mind

(a) Our brain is the physical organ out of which our _____ 'mind' is created

(b) When you die your brain turns to _____, but our mind continues on in the spirit realm

(2) Not all input is _____ in value in that traumatic events (both positive and negative) create more download than simple events

(a) Traumatic events open the _____ to the mind at a rate that is much higher than normal day to day events

(b) _____ of events can also create massive downloads over time

g. The sum _____ of that sensory data within our mind becomes the 'principles' or 'rationale' by which we make our decisions and live our life

5. _____ do you like chicken and not monkey brain?

a. You do not like chicken as opposed to monkey brain because you _____ to...it was chosen for you with your first pureed spoonful of Gerber's Chicken Vegetable puree!

(1) Science is now suggesting that mothers can determine a leaning towards certain types of foods for their _____ based on what they eat when pregnant!

b. In the same way, without Christ, you are not living your life based on your _____ choices... you are slave to the system and you do not even know it!

(1) Romans 6.17-18 – It Is Time To Get FREE!!
